

SPHG and Medical Genetic Unit organise the Dysmorphology Club Meeting Coimbra 2022

Thursday, November 17, 2022, 10:00 hrs

Club Meeting:	Dysmorphology
Date:	Thursday, November 17, 2022
Time:	10:00-12:00 hrs
Room:	Sala da ACREDITAR – Edifício no Hospital Pediátrico de Coimbra
Organiser(s):	Jorge Saraiva e Serviço de Genética Médica

Planned use of time: 2 h with 30 minutes after 12:00 if it will be necessary

PROGRAMME OVERVIEW:

A. TOPIC AND AIM OF THE CLUB

This workshop is an opportunity to discuss useful and/or difficult clinical cases.

B. CONTENT OF THE WORKSHOP

10:00 – Welcome – **Jorge Saraiva**

10:00 – **Clinical cases (short presentations, maximum 5 minutes and 5 powerpoint slides each)**

Presenters to be selected - priority given to:

- 1 - posters accepted at the SPGH meeting
- 2 – known diagnosis with specific DNA methylation signature
- 3 – other known diagnosis
- 4 - unknown diagnosis

12:00 – Session closing, **Jorge Saraiva**

C. WORKSHOP LEARNING OUTCOME

Attendees will learn about:

1. Improve knowledge and clinical competencies in genetic diagnosis
2. Improve competencies in assessment of clinical cases
3. Improve competencies in discussion of genetic diagnosis

D. SHORT DESCRIPTION OF THE INTERACTIVE ELEMENT OF THE WORKSHOP

Each clinical case presentation will be followed by questions and answers for and from all participants in the session

In case the discussion with the audience becomes vague, Workshop Chairs will stimulate the Speakers to raise provocative issues for discussion.

Delegates will be stimulated to engage, interact and provide feedback by the Chairs of the Clubs as well as by the Speakers of the session.

E. WORKSHOP TECHNICAL REQUIREMENTS

- One screen for speakers' presentations
- Slide upload in the room
- 2 sitting places in the podium (1 speaker and 1 chair)
